AFRIQ GWP DRESSING

DESCRIPTION

Afriq GWP Dressing is a vicious, black, solvent base and tackifier adhesive open gear and wire rope lubricant

APPLICATION

Afriq GWP Dressing can be used for the lubrication of:

- Large gears of ball mills, Roll Mills, etc.
- Open gears, Wire Ropes, Chains and Splines.
- Railroad traction motor gears requiring adhesive products

In the above applications the product also provides good water resistance and rust protection.
