AFRIQ AFRISTAR 1500 20W50 CH4 SJ

DESCRIPTION

This oil is a high performance, dedicated heavy duty engine lubricant designed for use in modern high speed turbocharged diesel engines. It uses an exclusive additive formulation in conjunction with highly refined base oils to deliver longer life and enhanced protection relative to its predecessors. The product has been reformulated for severe duty service in engines specifically designed to meet 1998/euro 2 on-highway exhaust emission standards as being suitable for a wide range of heavy duty off-highway applications.

APPLICATION

For all naturally aspirated and heavy duty turbocharged and intercooler diesel engines.

PERFORMANCE LEVEL (API CH4/SJ)

MEETS OR EXCEEDS:

- CUMMINS CES 20076/77/78
- DEUTZ DQC-111

BENEFITS

Saves on fleet maintenance cost. The detergency/dispersancy level is specially balanced to provide both high temperature deposit control in a wide range of heavy duty and turbocharged diesel engines and low temperature sludge control in light-duty gasoline engines. Longer drain periods. Reduce Downtime and prolong engine life.
