

Quality, service, and customer satisfaction is our driving force.

AFRIQ NEEDLE OIL

DESCRIPTION

Needle Oil is a premium low viscosity textile oil manufactured from high quality, virgin base oils and developed to meet the lubrication requirements of most modern textile machinery.

It is particularly suitable for use as a lubricant for high speed machines used in the manufacturing of polypropylene bags, providing adequate lubrication where low viscosity oils are required.

KEY PROPERTIES

| PHYSICAL CHARACTERISTICS | TYPICAL | TEST METHOD |
|--------------------------|----------------|-------------|
| Colour | Amber | Visual |
| Appearance | Bright & Clear | Visual |
| Viscosity Cst @ 40 °C | 30 | ASTM D445 |
| Density @ 20 °C | 0.865 | IP 190 |
