

Quality, service, and customer satisfaction is our driving force.

AFRIQ SOLUBLE GP

DESCRIPTION

This is an emulsifiable cutting oil containing effective germicides and bactericides to prevent bacteria growth in the emulsion and also to protect workers in contact with it from contracting dermatitis.

APPLICATION

For general machine shop cutting operations where maximum cooling and lubricity is required in order to promote extended tool life and ensure a good surface finish. It also prevents rust on machine and machined parts which are of paramount importance in metal cutting environments.

KEY PROPERTIES

Viscosity @ 40 °C	42.4
Viscosity @ 100 °C	6
Specific Gravity @ 20 °C	0.88
