

Quality, service, and customer satisfaction is our driving force.

AFRIQ CITROSCRUB

DESCRIPTION

Waterless hand cleaner designed for use on oils, grease and general grime resistant to soaps, or in areas where water for washing hands is not readily available. Citroscrub contains Polypropylene beads for heavy duty hand cleaning.

APPLICATION

- Dispense undiluted onto dry hands.
- Massage into skin, taking care to clean under nails.
- Remove excess with dry cloth or rag.
- If needed for persistent dirt, this procedure can be repeated.
- If preferred hands can be rinsed with water.

BENEFITS

- Does not contain any aromatic solvents.
- No offensive residual smell on hands.
- Complete rinsing.
- Will not cause drying and irritation on normal skin.

APPEARANCE

Orange gel with orange fragrance.

KEY PROPERTIES

Ph (1 %)	8.5 MAX
Solubility	97 %

NOTE

Individuals with known sensitive skin should take care when using waterless hand cleaners. The solvents could cause defatting with resultant dry-skin irritation. An additional aid in preventing excessive dryness, especially in water, would be the use of a suitable barrier cream.
