

Quality, service, and customer satisfaction is our driving force.

AFRIQ 5th WHEEL GREASE WITH TACKYFIER

DESCRIPTION

5th Wheel Grease With Tackyfier is manufactured using a high percentage of tackyfier and with lubricating solids such as the combination of graphite / Moly.

APPLICATION

5th Wheel Grease With Tackyfier provides excellent adhesion to metal surfaces under all weather and application conditions, thereby extending the life of fifth wheel plates.

BENEFITS

- Provides excellent tenacious metal adhesion
- Significantly provides longer component life
- Provides exceptional metal-to-metal protection
- Economical to use

TYPICAL PHYSICAL PROPERTIES
